

# **RECOMMENDED STOCKING LIST**

## TRAILER SUSPENSION SYSTEMS

### Master Warehouse / PDC

LIT NO: L1000

DATE: May 2017

REVISION: J

**Directions:** This stock list is a recommendation of Hendrickson's most common kits sold in the aftermarket. Descriptions are provided for components to allow you to choose the correct kits to stock based on the type of Hendrickson trailer suspensions most common at your facility.

| DESCRIPTION  | PART NO. | RECOMMENDED STOCK QTY. |
|--|----------|------------------------|
| <b>AIR SPRINGS</b>   |          |                        |
| INTRAAX® AAT 23K, AANT 23K suspensions                                     | S-21800  | 10                     |
| VANTRAAX® HKANT 40K slider (Below 16" RH)                                  |          |                        |
| INTRAAX AAT 25K suspension   | S-20901  | 2                      |
| INTRAAX AAT 30K suspension   | S-25873  | 1                      |
| INTRAAX AAL 23K suspension (6.5"- 7.5" RH)                                 | S-23720  | OPTIONAL               |
| INTRAAX AAL 23K suspension (9" RH)   | S-23613  | OPTIONAL               |
| INTRAAX AAL 23K suspension (12"-17" RH)                                    | S-23614  | OPTIONAL               |
| VANTRAAX HKANT 40K slider (16" RH and above) (Units built before Jan 2008) | S-22948  | 3                      |
| VANTRAAX HKANT 40K slider (16" RH and above) (Units built after Jan 2008)  | S-28929  | 2                      |
| VANTRAAX HKAT 46K, HKANT 46K sliders                                       | S-22948  | 3                      |
| HK™ Series HK190T slider   | S-22045  | 3                      |
| HK Series HK230 slider   | S-22046  | 1                      |
| HT™ Series HT190T, HS Series HS190T suspensions                            | S-20223  | 2                      |
| HT Series HT190U suspension  | S-20217  | 2                      |
| HT Series HT230, HS Series HS230 suspensions                               | S-20010  | 10                     |
| HT Series HT250T, HT250U suspensions                                       | S-20124  | 2                      |
| HT Series HT250US suspension   | S-20127  | 2                      |
| HT Series HT300, HS Series HS300 suspensions                               | S-4771   | 2                      |
| UBL™ UNDER BEAM LIFT™ UBL-001, 002, 003 and 004                            | S-23114  | 1                      |
| <b>ZMD® AIR SPRINGS</b>  |          |                        |
| ULTRAA-K® UTKNT 40K slider   | S-34733  | 4                      |
| VANTRAAX HKANT 40K slider (16" RH; requires QUIK-DRAW®)                    | S-33161  | 4                      |
| INTRAAX AANT 23K suspension (14" - 17" RH; Std. travel)                    | S-35510  | 2                      |

# RECOMMENDED STOCKING LIST

| DESCRIPTION  | PART NO.  | RECOMMENDED STOCK QTY. |
|--|-----------|------------------------|
| <b>AIR SPRING BOLT KITS</b> (One kit required per air spring)                              |           |                        |
