## Questions and Answers

---

**Q:** Why should I buy HENDRICKSON AERO BRIGHT® bumpers?

**A:** HENDRICKSON AERO BRIGHT is the industry's solution for a chrome-like, styled and lightweight non-metal bumper. Along with its UV resistant, weatherable protected finish, HENDRICKSON AERO BRIGHT offers durability and ease of maintenance.

**Q:** Will I need to purchase additional brackets to install HENDRICKSON AERO BRIGHT bumpers?

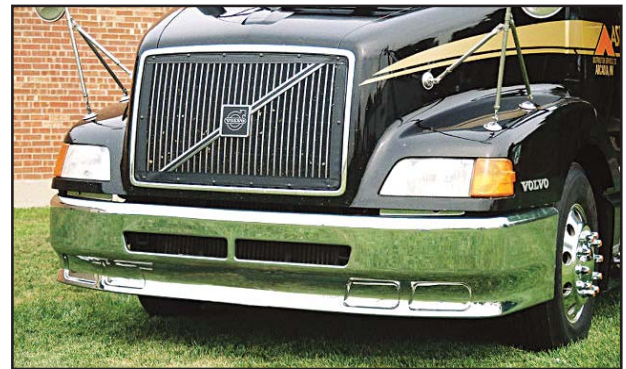

**A:** No, all HENDRICKSON AERO BRIGHT bumpers have been specifically designed for ease of installation utilizing factory mounts and hardware.

**Q:** How durable are HENDRICKSON AERO BRIGHT bumpers?

**A:** Through extensive lab and field-testing including gravelometer and 500-hour salt spray, HENDRICKSON AERO BRIGHT has proven to withstand the rigorous environment of some of the most extreme driving conditions on the road today.

**Q:** How do I care for HENDRICKSON AERO BRIGHT bumpers?

**A:** HENDRICKSON AERO BRIGHT bumpers feature an automotive style clear coat finish similar to your car or truck. To protect and maintain the shine and luster of your bumper, Hendrickson recommends the use of an off-the-shelf polish or wax you would use on the painted surfaces of your car or truck. Follow the manufacturer's instructions on the polish or wax of your choice.

Volvo® VNL with HENDRICKSON AERO BRIGHT®

Hendrickson is a world-class global manufacturer and supplier of truck, tractor and bus suspensions and heavy-duty springs; trailer suspensions; controls and non-integrated axles; lift axles; and bumper and trim components to the commercial transportation industry.
