AERO CLAD® and OPTIMAAX® Features and Benefits

AERO CLAD®

- Lightweight
- Easy installation to factory mounts
- Durable, bright mirrored finish
- Up to 10 times thicker finish than typical chrome finish
- Resists corrosion, cracking, pitting, peeling and fading
- Quality American made product
- Ground clearance – 5.5 inches higher relative to OEM Aero Package
- Minor abrasions can be buffed
- Full 5-year limited warranty*

* Contact your local Hendrickson representative for complete warranty terms, conditions and limitations.

OPTIMAAX®

- **OPTIMIZE Automated Controls**
Proprietary program logic controls lift axle movement, load transfer
- **OPTIMIZE Savings**
Axle configuration saves weight and can help improve fuel economy
- **OPTIMIZE Traction and Handling**
Lifted axle provides increased traction by increasing drive axle load
- Ideal for diminishing load carriers such as: bulk haulers, grocery, livestock, beverage or applications experiencing empty back hauls

Axle

- Liftable forward tandem 20,000 pound capacity
- 9-inch drop maximizes ground clearance

Reduced Weight

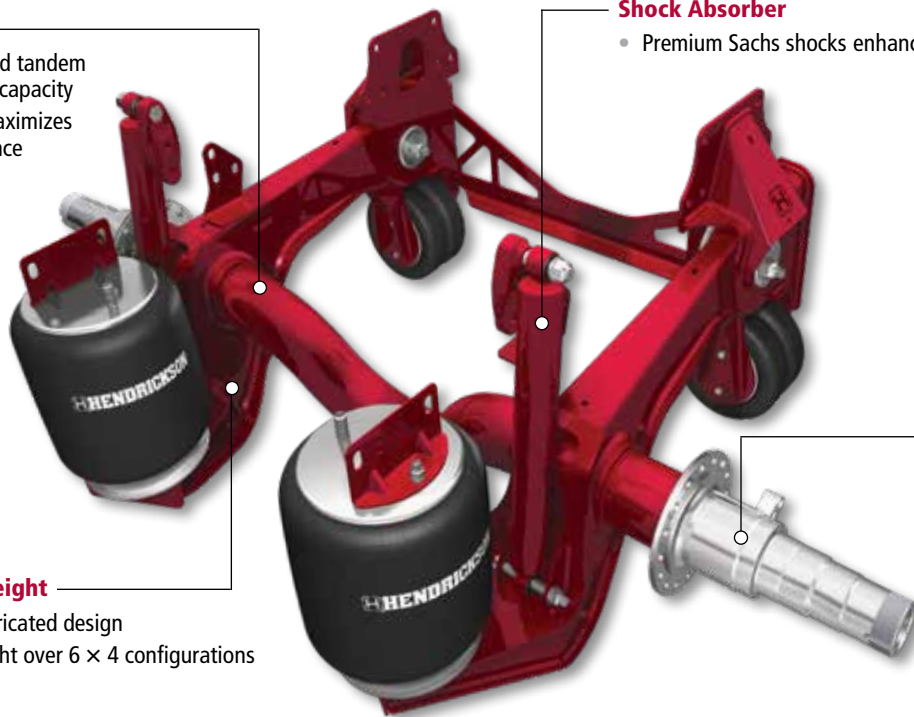

- Proven fabricated design
- Saves weight over 6 × 4 configurations

Shock Absorber

- Premium Sachs shocks enhance ride quality

Brake Compatibility

- Compatible with both approved drum and disc brakes
- Offer flexibility in brake specifications

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration. Contact Hendrickson for additional details regarding specifications, applications, capacities, and operation, service and maintenance instructions.

Call Hendrickson at **630.910.2800** or **855.RIDERED (743.3733)** for additional information.
