

HCA[®] HENDRICKSON CHASSIS AXLE[™]

- Proven performance
- Industry-standard chassis axle
- Less downtime

Worldwide Product Support

As a leading supplier to the global commercial vehicle market, Hendrickson boasts a wide breadth of product and application knowledge. Our sales and service teams are available to provide support – from applications advice to onsite training.

Low-Maintenance

Hendrickson's product testing and specifications provide durable, low-maintenance parts. The HCA[®] system features a robust design that has durability in mind. From heat treated spindles to hardened cam heads, journals and splines, the HCA is ready for mile after mile.

Outstanding Warranty Coverage

Hendrickson's industry-leading warranty guarantees outstanding coverage and support from a recognized name in the commercial vehicle industry and the convenience of a single source supplier.
