## AERO CLAD® and STEERTEK™ NXT Features and Benefits

### AERO CLAD®

- Lightweight – no negative effect to fuel efficiency
- Easy installation to factory mounts
- Durable, bright mirrored finish
- Finish 10 times thicker than chrome
- Resists corrosion
- Quality American made product
- Improved ground clearance compared to the OEM plastic bumper
- Resists cracking, pitting, peeling and fading
- Minor abrasions can be buffed
- Full 5-year limited warranty\*

\* Contact your local Hendrickson representative for complete warranty terms, conditions and limitations

### STEERTEK™ NXT

#### Warranty

- STEERTEK™ NXT comes with a standard 10-year, 1 million mile limited warranty\*

#### Integrated Axle Seats

- Improve ground clearance
- Reduce part count
- Simplify assembly

#### Standard Position

- Made with pride in Lebanon, KY

STEERTEK NXT with traditional knuckles (for use with bolt-on drum and air disc brakes) is also available in capacities from 12,000 to 14,600 lbs.

#### Rigid Axle Beam

- The lightweight box-shaped cross section resists horizontal, vertical and twisting forces more effectively than traditional I-beam axles while helping to reduce dynamic camber and toe changes
- Continuous beam architecture minimizes stress points for added durability

#### Integrated Air Disc Brake Knuckle (IADB)

- Eliminates the need for separate torque plate and fasteners
- Reduced part count allows for greater weight savings
- Available capacities from 12,000 to 13,200 lbs.

#### Ease of Maintenance

- The unique two-piece knuckle design eliminates the need to remove the kingpin to service the bushings
- Premium kingpin bushings and seals provide enhanced protection from the elements to improve bushing life

\*10-year, 1 million mile limited warranty covers certain structural components only. Warranty coverage applies to the axle beam, steering arm, knuckle assembly and kingpin when used in applications approved by Hendrickson and within the proper guidelines of the product. Warranty does not cover components experiencing normal wear. Contact Hendrickson for full warranty details and limitations.

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration. Contact Hendrickson for additional details regarding specifications, applications, capacities, and operation, service and maintenance instructions.
