

- Superior weight savings
- Assistance with applicable bridge and weight law compliance
- Flexibility to haul across borders

Weight Savings and Exceptional Durability

VANTRAAX® tridem sliders incorporate the road-proven INTRAAX® integrated suspension system and patented K-2® slider box for exceptional durability with superior weight savings. The K-2 slider box design provides an outstanding strength-to-weight ratio allowing operators to load more cargo per haul. The patented "K" bracing reduces weight while increasing durability and its simple design opens interior spacing for more accessible plumbing and maintenance.

Hauling Flexibility Across Borders

Tridem sliders give operators the flexibility to haul across international, provincial and state borders while helping them comply with a wide variety of bridge and weight laws and Canadian "infrastructure-friendly" regulations. With an overall system rating of 69,000 pounds, the tridem is available with a 23,000-pound standard-duty suspension with a narrow pivot connection (HKANT 69K23) or a 25,000-pound heavy-duty suspension (69K25).

VANTRAAX® Features and Benefits

TRI-FUNCTIONAL® Bushing

- Controls vertical, horizontal and roll forces of trailer
- Optimizes ride softness, control and stability

Neutral-Toe Axle

- Helps increase fuel economy and tire life
- Straight tracking

Axle Wrap and Window Weld

- Provides optimal structural integrity

QUIK-ALIGN® Pivot Connection

- Fast and easy axle alignment
- Requires no welding or special tools

QUIK-DRAW® Fully Pneumatic Pin-Pull Mechanism

- Automatic reset engages pins when parking brake releases
- Driver Friendly – finger-tip operation
- Helps reduce driver strain and enhances productivity

Diagonal “K” Bracing

- K-brace prevents racking, increases strength and slider life

Advanced Trailer Cam Tube System

- Enhances S-cam alignment and helps extend life of brake components
- Short 10-inch S-cam reduces windup and bushing wear for responsive, consistent stopping power

Value-Added Options

- RTR® READY-TO-ROLL® wheel-end options reduce weight, enhance durability and lower maintenance
 - HXL3 Hendrickson Extended-Life 3-year System™** features a three-year limited on-highway warranty*
 - HXL5® Hendrickson Extended-Life 5-year System™** features a five-year limited on-highway warranty*
 - HXL7® Hendrickson Extended-Life 7-year System™** features a seven-year limited on-highway warranty*
- TIREMAAX® tire inflation system helps maximize tire life and maintain peak fuel mileage
- HXS® Hendrickson Extended Service™ brakes extend intervals between brake service
- SURELOK® limits vertical and horizontal movement during loading and unloading
