FIGURE 1

To obtain Haulmaax EX gauge cards, go on-line  
[www.hendrickson-intl.com/tools/gauge-request-form](http://www.hendrickson-intl.com/tools/gauge-request-form)

- **Hendrickson Lit. No. 48422-624** – to measure PLS height and Bolster Spring bonding separation and depth of cut or split
- **Hendrickson Lit. No. 48422-65X** – to measure vehicle manufacturer specific Saddle Height
- **Hendrickson Lit. No. 48422-649** – Saddle height gauge step-by-step instruction card

**NOTES** ① For reference only.

② To determine the saddle height dimension, see Figure 1. Saddle heights above 19.5" use 52K frame hangers.

③ GWH (Global Wheel Height) is used only by Western Star.

④ The Western Star frame width is dependent on the frame thickness (8 mm through 15 mm).

| 10      |           | *M20 x 1.5-6G x 50 mm Flange Bolt                                                        | 4        |
| 11      |           | *M20 x 1.5 Flange Nut                                                                    | 4        |

**NOTES:** Quantities specified are for the vehicle. Quantities of service kit components may vary from amount shown in the list.

Longitudinal and Transverse TRAAX Rod bushings are non-serviceable, the entire torque rod assembly requires replacement. Visit TRAAX ROD website [www.traaxrods.com](http://www.traaxrods.com) for more information.

\* Item included in assembly or service kit only, part not sold separately.

\*\* The HAULMAAX EX 52,000 pound capacity suspensions are equipped with dual rebound straps per equalizing beam, while the 40,000 and 46,000 pound capacity suspensions have a single outboard rebound strap.

\*\*\* Transverse torque rods are mandatory for most of the HAULMAAX EX suspensions regardless of axle spacing, see Hendrickson Literature Nos. 59310-004 and 59310-058 for more information.

\*\*\*\* Verify the shock absorber part number prior to replacement.

## ■ Special Tools

### Bar Pin End Bushing Tools

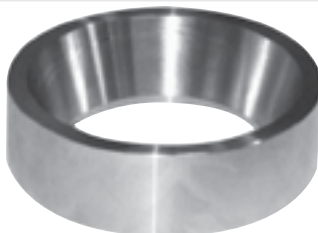

**Tiger Tool Part No. 15044**

Visit [tigertool.com](http://tigertool.com)

### ULTRA ROD Torque rod Funnel tool

**Hendrickson Part No. 66086-001L**

This is a general parts list to provide directional information. Components may vary by model. Questions in regards to parts, contact Hendrickson Truck Parts at 855.743.3733 (Toll-free U.S. and Canada), 630.910.2800 (Outside U.S. and Canada) or e-mail: [truckparts@hendrickson-intl.com](mailto:truckparts@hendrickson-intl.com).

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration.

Contact Hendrickson for additional details regarding specifications, applications, capacities, and operation, service and maintenance instructions.

**Call Hendrickson at 630.910.2800 or 855.RIDERED (855.743.3733) for additional information.**
