HENDRICKSON
The World Rides On Us®

AERO CLAD® Features and Benefits

- Lightweight – to help enhance fuel efficiency
- Easy installation to factory mounts
- Durable, bright mirrored finish up to 10 times thicker than chrome
- Resists corrosion, cracking, pitting, peeling and fading
- Quality, American made product
- Increased Ground clearance – 5.5 inches higher than OEM Aero Package
- Minor abrasions can be buffed
- Full 5-year limited warranty*

**Contact your local Hendrickson representative for complete warranty terms, conditions and limitations*

AIRTEK® NXT Features and Benefits

STEERTEK™ NXT Axle Warranty

- Standard 10-year, 1-million-mile limited Structural Warranty**
- Standard 5-year, 750,000-mile limited Spindle-to-Spindle Warranty**
 - Covering kingpin bushings, kingpins, thrust bearings, tie rods and tie rod ends

Improved Ride and Comfort

- Advanced air suspension technology assists in protecting drivers from road irregularities

Reduced Maintenance

- Durable rubber front and rear bushings require no lubrication
- Premium kingpin bushings and seals provide enhanced protection from the elements to improve bushing life and extend service intervals up to 100,000 miles***
- Unique two-piece knuckle design eliminates the need to remove the kingpin to service the knuckle

Two-piece knuckle design

Lightweight STEERTEK™ NXT Axle and Advanced Clamp Group Design

- The box-shaped cross section resists horizontal, vertical and twisting forces more effectively than traditional I-beam axles, which improves handling
- Continuous beam architecture minimizes stress points for added durability
- This design is lighter than standard content to improve load capacity and help enhance fuel efficiency
- Available in 12,500 and 13,300 pound capacities

The AIRTEK NXT system is integral to and available exclusively with the STEERTEK NXT axle. Contact Hendrickson or Freightliner for availability.

*** Please refer to Hendrickson Literature No. 45745-271 for complete terms, conditions and information*

**** Contact Hendrickson for full service interval details and limitations*

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.
All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration.
Contact Hendrickson for additional details regarding specifications, applications, capacities, operation, service and maintenance instructions.

Call Hendrickson at 630.910.2800 or 855.RIDERED (743.3733) for additional information.
