

Project Engineer

Wellingborough, UK

Delivery of a customer focused service, whilst meeting all Health & Safety, Quality, Delivery, Cost and Morale targets.

Lead the development and optimisation of Hendrickson suspension systems for European truck applications. Analyse OEM suspension designs, enhance Hendrickson solutions, and act as the key technical contact for customers—providing expert guidance and confidently representing our technology.

Role Type: Permanent

Role reports to: Senior Project Engineer

Location: Wellingborough, NN8 6GR

Working hours: Mon-Thurs – 8am – 16.30
Friday – 8am – 13.30
