

*In compliance with the Affordable Care Act (ACA), The Boler Company prepares Form 1095-C for all individuals who were full-time employees during at least one month of the prior calendar year.*

*Form 1095-C confirms your Boler-provided health insurance coverage. It is not required to file your federal income tax return, but the information on the form may be needed if an advanced premium tax credit was received or if the premium tax credit will be claimed.*

*Due to the recently enacted Paperwork Burden Reduction Act, employers are no longer required to automatically distribute Form 1095-C to eligible employees. Instead, these forms will be provided **upon your request**.*
